- (a) A building was offered.
- (b) The donation was promised in 1959.
- (c) A health unit type dispensary is sanctioned for Oorgaumpet.

It is for the K.G.F. Sanitary Board to start the same in the said building.

Sri S. RAJAGOPAL.—Sir, when the Government gave sanction for this work ?

Sri K. NAGAPPA ALVA.—That sanction was given on 19-8-1963.

Sri S. RAJAGOPAL.—What is the reason for such a delay, Sir ?

Sri K. NAGAPPA ALVA.—The reasons are many. The K. G. F. Sanitary Board had to start this. In the initial stages there was some difficulty. That was in 1960. The Taluk Board was to be formed. The Oorgaum Village and surrounding villages were expected to come under the Taluk Board. Hence it had to be delayed. The Deputy Commissioner's report was called later. And after it was ascertained that these villages will remain under the K.G.F. Sanitary Board, the Sanitary Board were requested to send a resolution accordingly and they sent the resolution. It was only a promise of the people. The Gift deed had to be executed and lately they have finished all these things. We have done our part of the job. The order has already gone and it is now for the Sanitary Board to initiate and start.

Mr. SPEAKER.—The answer is so comprehensive that no supplementaries are necessary.
